Subject: Additional information concerning appeal

For the Attention Of Mr. Antti Kuuskoski!

Dear Mr Kuuskoski,

Here is our reply to your request in subject:

1. Explanation of ticket sales on routes HEL-SVL and SVL-HEL:

- The Service Agreement made between Budapest Aircraft Service Kft (BASe Ltd.) and Maavoima Oy (Ground Power Ltd.) contains the responsibilities of the Parties; by this agreement the passenger services including the ticketing services were assigned to the Service Provider-Maavoima Oy.

Maavoima Oy subcontracted all the marketing, ticket sales to Airlink Finland Oy (Business ID: 2497412-5).

Airlink Finland, which has access to international reservation and ticketing systems sold all tickets via its website- www.airlink.fi – and other sales channels and it got the sales revenues, then Airlink Finland settled the profits with Maavoima Oy.

Budapest Aircraft Service Ltd. never sold any ticket. Thus no ticket revenue was obtained by BASe Ltd, as the justified revenue/net income is due to Maavoima Oy according to our Service Agreement, where the means of monitoring and supervision of the ticket sales are also regulated.

Therefore, Maavoima had the obligations to provide monthly and quarterly reports to BAsE Ltd. concerning the operations of the ticketing system and allowing to monitor the sales and revenue.

BAsE also had the strict responsibilities to report the same information to the Finnish Transport Agency and City of Savonlinna-as it is regulated in the contract for PSO (Public Service Obligations)

2. The complete set of copy of the contract between BAsE Ltd. and Maavoima OY – „Service Agreement (29.12.2014)” is attached.
3. The complete set of copy of the PSO „Contract for the Operations of Scheduled Air services between the Airports of Helsinki and Savonlinna from 02.02.2015 to 31.12.2015. (29.12.2014.)” is attached.

This is a joint contract with the Finnish Transport Agency and the City of Savonlinna.

Please do not hesitate to contact us for further information!

Best regards,

.....
